Plaintiff,

-V-

CITY OF NEW YORK,

Defendant.

20 Civ. 2011 (JPC)

ORDER

JOHN P. CRONAN, United States District Judge:

As the parties are aware, trial in this matter is scheduled to commence on December 16, 2024. Plaintiff, who is proceeding *pro se*, may be able to avail herself of the Court's *pro bono* program, through which an attorney would represent her at trial at no cost to her. See <https://nysd.uscourts.gov/attorney/probono>. If Plaintiff is interested in the Court attempting to locate counsel to represent her at trial through this program, she is directed to write a letter so informing the Court by August 12, 2024. The Court notes that it cannot guarantee that it will be able to find counsel to represent Plaintiff on a *pro bono* basis, even if she makes this request.

The Clerk of Court is respectfully directed to mail a copy of this Order to the *pro se* Plaintiff.

SO ORDERED.
